### COMEDY NIGHT 2

Although the title suggests the sequel to a cheap horror movie, it is of course the second comedy show at the Mariners Bar. 14th August at 8.30pm will see the following rib-splitting gang perform:

#### BIG AL

One of Adelaide's best loved comics, Big Al can be seen on comedy stages both here and interstate. Recognized by FHM magazine as one of Australia's funniest comics, he's currently preparing for another Adelaide Fringe Festival show in 2010, with his latest show, "Life on a Budget" playing to enthusiastic crowds in 2009.

#### ELIZA THOMAS

A regular cast member of SA's premier women's comedy showcase "Live Girls!" Eliza is also a featured performer in the Flamingo News, a comedy news show debuting in Adelaide in July, and can be seen regularly at the Rhino Room and other Adelaide comedy venues.

#### DALE ELLIOTT

Dale has taken his comedy to new heights...literally. He is only the second paraplegic on record to earn his skydiving license, and is in demand as a corporate comedian, taking his inspirational comedy to corporate boardrooms and schools throughout the country, and as SA's winner of Raw Comedy.

#### STEVEN COPLEY

A self-confessed computer geek, Steve brings his weird view of the world to the stage with hilarious results. An audience favourite, Steve can be seen on comedy stages throughout the state.

#### JASON CHONG

Jason regularly features in comedy clubs nationally, and is currently part of the Melbourne International Comedy Festival Road Show, touring regional towns across the country. His festival shows at the Adelaide Fringe regularly receive four star reviews, including his 2009 show, "Why the Bloody Hell Aren't You?", a show about the funny side of giving blood.

#### RICH NABERHOOD

Rich's life in the suburbs has been chronicled in his hit 2009 Adelaide Fringe show "Being Rich" which played to sold out audiences and received a coveted four star review from the Advertiser critics.

## BARBECUE ON THE BEACH

As we approach spring and summer, have you considered holding a barbecue at BSYC? Yes, holding it at home may be okay for limited numbers but BSYC can relieve you of the stress managing the catering and the booze—if that's what you want. And it'll be hard to compete with the location!

## LEARN TO SAIL COURSES

The Club has confirmed two pre Christmas Learn To Sail courses. A Junior LTS (under 16) will take place on 5 Sunday mornings from November 14th to December 12th (inclusive), Each day starts at 9.30am and ends at mid day and the cost is \$165 (inc GST).

An Adult/Family Learn To Sail course will take place on the weekend of 21 and 22 November. Each day runs from 9.30am until 4.30pm and we are particularly encouraging families to take part. Cost to adults is \$250 while under 15s will pay \$165.

**All information pertaining to these courses are on the web site—[www.bsync.asn.au](http://www.bsync.asn.au).**

We are currently looking at the viability of holding a junior LTS, junior coaching and/or general aquatics course during the next holidays. The courses would most likely run in the second week and expressions of interest would be gratefully received

## BUSINESS TO BUSINESS

Thank you to those people who responded to my request for IT specialists. With this in mind, I would like to start a BSYC members and friends business to business listing. As a recent arrival to Adelaide I know how difficult it can be to find trustworthy service providers so the idea of a members to members business directory might help both new arrivals as well as old hats. Please consider this plan and do feedback with any thoughts.

## BOATS FOR SAIL ETC

As we near the start of our 90th season, are you looking to buy or sell a boat? Or, indeed are you looking for a/to sail. Rather than losing your advert within the clutter of the Club's notice boards, please forward us specifications and a photo and I shall post them on this e-newsletter. This will be a free service for members although we shall make a small charge of \$10 per post for non members.

## GUESS THE BOAT

It seems the current Commodore is not the only BSYC member to crash his dinghy. (Ian in fact holds the record for two 505s in one season). So, the competition is...who is the owner of the boat and how did he do the damage? Answers to the owner and the first correct answer get a beer!
